Meet Dr. Jonathan Elmore - A Different Kind of Oral Surgeon

The Unique Blend of Expertise and Compassion

> Oral Surgery shouldn't be a scary experience. I believe in empowering my patients with education, support, and a path to creating the treatment they deserve.
>
> Elmore

Dr. Jonathan Elmore was born and raised in Atlanta, GA. He received his undergraduate degree from Morehouse College and continued on to finish his dental school training at

Columbia University College of Dental Medicine. Dr Elmore elected to stay in NYC and train in Oral and Maxillofacial Surgery at The Brooklyn Hospital Center in Brooklyn, New York. Just like many new graduates, he couldn't decide if he wanted to work for a DSO or branch out on his own. After earning the respect of numerous owner-doctors for one of Orlando's top DSOs, he decided to open AMP Oral and Maxillofacial Surgery as a place for dentists and physicians to be able to send their patients with the confidence that they will be cared for in a safe and caring environment. Dr Elmore, his wife Lenneia, and his daughters, Ava and Aria, live in the Lake Nona area of Orlando. When not working, you may catch him on the golf course or playing with his dogs, Soco and Jack.

Our Happy Clients

"I'm so glad I chose and trusted Dr. Elmore as my oral surgeon for my wisdom teeth extraction. I saw almost 3 oral surgeons in the Orlando area and was told they couldn't perform the surgery because I was a "complicated case." He took the time to explain the risks/benefits of my procedure during my consultation and made sure I was comfortable the entire time. Honestly, I think the best part of my surgery was waking up to Spotify music playing in the background! I highly recommend Dr. Elmore and his staff for all of your oral surgery needs."
