Becoming a New Patient: What You Should Know

Choosing the right oral surgery provider is crucial, and we're glad you're considering AMP Oral Surgery. We focus on providing top-notch patient care and effective solutions for your oral health needs. When you walk into our Orlando office, rest assured that you're entering a space where your comfort and well-being come first.

Your Initial Visit to AMP Oral Surgery

During your first visit, we'll conduct a thorough examination and discuss your medical and dental history. We'll also explore your treatment options, making sure to explain each one so you can make an informed decision. Your well-being and understanding are our top priorities.

Streamlining Your Visit with Pre-Visit Forms

For your convenience, we offer downloadable new patient forms. Feel free to fill these out before you arrive, so we can spend more time focusing on you and your needs.

What to Bring for Your First Visit

To expedite your appointment, please bring along the following:

- Valid Identification
- Insurance Card
- Medical History Information
- List of Current Medications

Our Happy Clients

"I was very nervous and decided to go with Dr Elmore after a ton of research. He was so gentle and made sure I was comfortable the whole time. Highly recommended!"

Ready to Take the Next Step?

If you're ready to prioritize your oral health, book your initial consultation now. Our team is eager to meet you and assist you in improving your quality of life through superior oral care.
